WHAT IS AA

Alcoholics Anonymous is a fellowship of men and women who share their experience strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. *The only requirement for membership is the desire to stop drinking.* There are no dues or fees for AA membership; we are self supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and to help other alcoholics achieve sobriety.
